5. Why they did it, if you know.

Plaintiff Brian Armon Ducksworth is an inmate at Green Bay Correctional in Green Bay Wisconsin. May of 2020 Covid-19 spreaded rapidly through the institution. In August of 2020 testing for covid-19 began. I had symptoms of body aches, loss of taste, and extreme headaches which I reported to the Health Services staff immediately during routine temperature checks that was done daily when covid-19 initially spreaded through

the institution. After being tested, I never received any notification or results from Health Services. Hannah Utter and other Health Services staff members knew that I was positive for covid-19, for four months I thought it was just another cold or flu bug that Dorm A gets every year in the fall. Unconcerned with my well-being the defendants failed to inform <sup>me</sup> that I was infected with the deadly disease covid-19. On December 23, 2020 I had a routine appointment with my psychiatrist Dr. Maier who then informed me I was positive for covid-19 in August of 2020. The defendants harmful negligence placed my life in jeopardy, and added extreme stress, anxiety, and mental anguish to an pre-existing condition that I already have. I am seeking damages from the defendants for knowing and ~~not~~ disclosing, vital information concerning my health which has caused severe pain and suffering, which also could have taken my life.

C. JURISDICTION

☒ I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

☐ I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$\_\_\_\_\_.

D. RELIEF WANTED

Describe what you want the Court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or to stop doing something.

I am seeking punitive damages or/  
and compensatory damages in the  
amount of \$200,000 dollars.

I would like an order for HCU  
staff to care more and to treat  
inmates with mental or physical  
health issues more compassionately, and  
while during service on the job have  
more humanitarian characteristics.

E. JURY DEMAND
